

Congratulations from Washington

Dear Maestro Blaszczyk, Musicians of the Silesian Philharmonic and all Members of the Silesian Philharmonic Community:

I am writing to you from the National Philharmonic in Washington to extend to you my warmest greetings and congratulations on the dedication of your newly renovated Silesian Philharmonic.

Having had the great pleasure of working with the musicians of the Silesian Philharmonic, I can think of no group more deserving of this grand renovation. And I wish all at the Philharmonic and the residents of Katowice and Silesia many happy and inspiring moments in this wonderful newly refurbished space.

Again, congratulations, best wishes and happy music making!
